

## **G.2.4. Double sided trouser guards**

All trouser guards BCD110 and 130 can be mounted either on left and/or right side of chainring. We have the chainring bolt sets, that fit any combination! speed-drive model "08" as well as high-speed-drives up to 34 t. can't be equipped with double sided trouser guards. Modelle können nicht mit doppeltem Hosenschutz geliefert werden.
